You need less of it. 🌿 Since 1961, St. Andrew's Resources for Seniors System has reduced many of the anxieties

that swirl around care for elders. How? Through highly desirable senior living communities where older adults can live healthy, live well, and live it *up*. 🌿 Through options that foster vitality and well-being. 🌿 And through a

family of exceptional services that take burdens from your shoulders and frown lines from your face. 🌿 As a faith-based and non-profit organization, our vision is to create

a world where *all* elders are respected, productive, secure, and fulfilled.

Our mission is making that vision real.

Every day.
