Our Community

Our quaint community offers a living experience for seniors that provides a secure, peaceful, and supportive atmosphere. Our thoughtful staff deliver the loving, compassionate care that promotes independence and provides reassurance.

We offer 30 studio apartments, as well as other inviting common rooms like our dining room, enclosed sunroom, and an inner courtyard where summertime blossoms and socials abide.

We are centrally located near health care facilities, churches, shopping, and entertainment options.

About Us

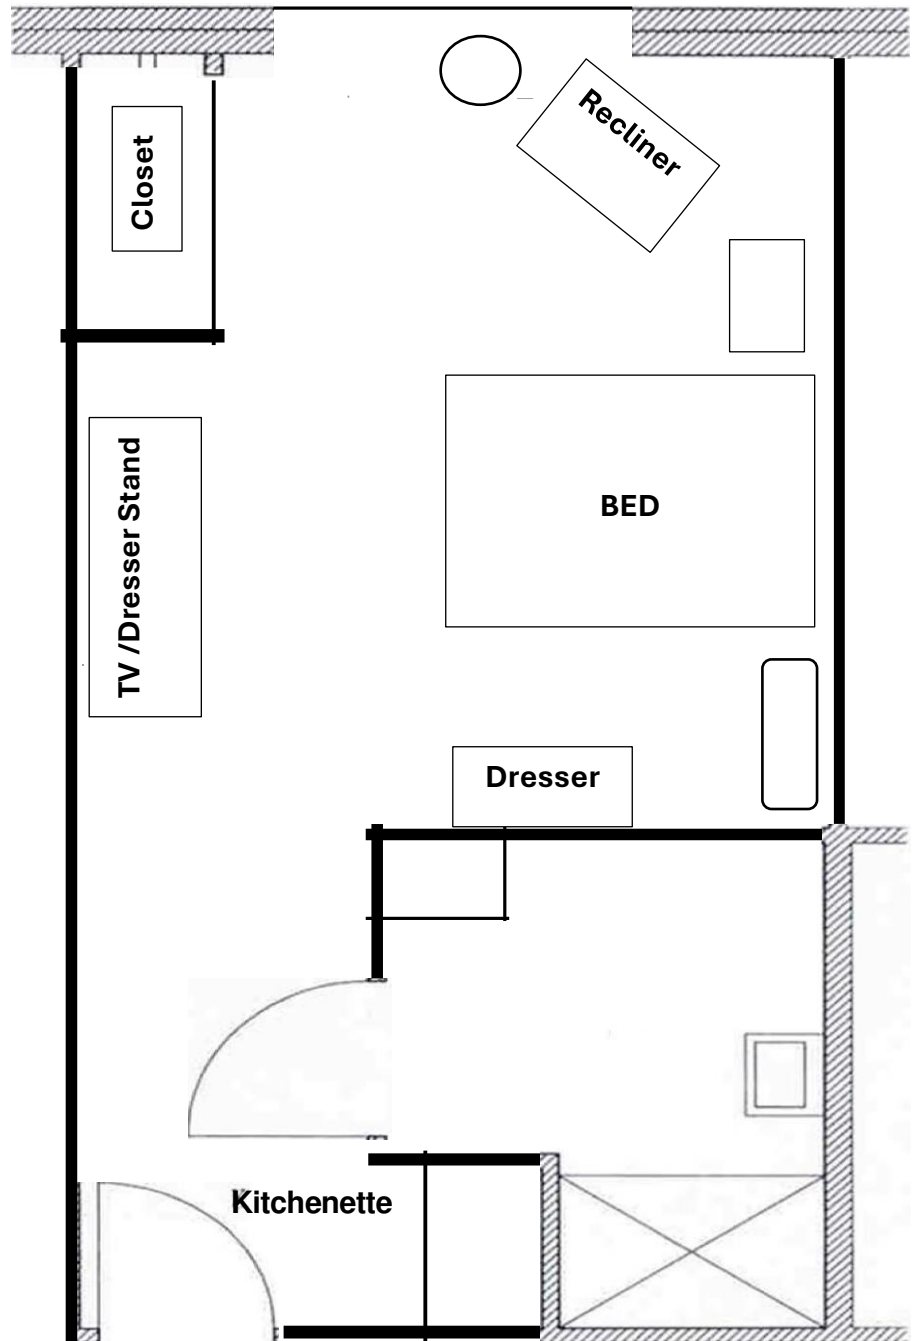

St. Andrew's Assisted Living of Bridgeton is a not-for-profit, state-licensed assisted living senior community. Being licensed by the State of Missouri as an Assisted Living Facility means we meet staffing, services, and security requirements for providing personal care services.

St. Andrew's is a smaller community compared to most others. There are 30 studio apartments which makes it possible for residents, guests, and staff to become better acquainted with each other. *Visiting Bridgeton is like coming home.*

At St. Andrew's, each resident is provided an apartment to furnish and decorate with their treasured mementos. A refrigerator and microwave equip the kitchenettes, along with easily accessible private bathrooms with a walk-in shower. Each apartment allows for convenience, independence, privacy, and peace of mind. An inviting dining room, offering three delicious home-cooked meals every day, is a favorite gathering place for our residents. A private dining room is also available for family get-togethers. Our enclosed patio and inner courtyard are a favorite place to gather when friends come to visit. All of our common areas quickly become extensions of their homes.

We are affiliated with St. Andrew's Resources for Seniors System, which has been helping area seniors *Worry Less* for over 50 years.
